

## Stone Meadow Post Orders for Midwest Security:

1. Random patrols should exclusively focus on the hours between 1:00 PM and 7:00 PM
2. Random patrols and security call ins will be handled as follows:
  - o Officer exits vehicle to visually assess situation at pool and parking lot
  - o If groups Of teenagers are present, officer will approach group, and ask neighborhood residents to identify themselves
    - If resident(s) identifies, officer asks for identification and address, and checks against our owners list
      - If information checks out and group of guests is more than three or four, inform resident(s) that they have exceed the number of allowed guests. Request immediate departure of excess guests.
      - If information does not cheek out, require immediate departure under threat of calling the sheriff's office to report trespassing. If situation calls for it, officer may point out that security cameras are recording the area and that recordings will be turned over to the sheriff's department for prosecution.
    - If no one will identify as a resident, require immediate departure under threat of calling the sheriff's office to report trespassing. If situation calls for it, officer may point out that security cameras are recording the area and that recordings will be turned over to the sheriff's department for prosecution.
    - If individuals indicate they are guests of a resident who is not currently present, inform group that a resident must be present at all times. Require immediate departure under threat of calling the sheriff s office to report trespassing.
